

April 1st Buildings & Grounds Volunteer Group

Fun, Fun, Fun...

Buildings and Grounds was not joking around,
A better church project could not be found.

Some volunteered in the morning sun,
While others shared a task in Fellowship Hall
Where snacks were provided for one and for all.

Many have marveled and enjoyed what the "jesters" accomplished.

B & G appreciated the 24 who showed up on April Fool's Day
And toiled on OVUCC's grounds in their own special way.

Thanks to all,

Peggye Wall
